WHO WE ARE

A trusted partner in justice, compassion and hope

ADRA Belgium is part of a trusted global humanitarian network active in more than 120 countries. **Every day, ADRA delivers relief and development assistance to people in need**, regardless of their ethnicity, political affiliation, or religious background.

Our projects are based on local needs, objective data, and field expertise, ensuring that every initiative meets the highest international standards. Working hand in hand with communities, organisations and governments, **ADRA improves the quality of life for millions worldwide.**

In times of crises, from earthquakes to armed conflicts, our global presence allows us to respond quickly and effectively. **ADRA is recognised worldwide for both sustainable development and rapid emergency relief.**

WHY PARTNER WITH US?

Align your business with lasting impact

The growing number of emergencies worldwide directly impacts ADRA's work. In 2023 alone, we responded to **130 emergencies**, reaching **more than 1.5 million people with life-saving aid**.

Since the reopening of our Brussels office in 2016, we have supported both international and Belgian crises. Whether responding to local needs with limited resources or stepping into global emergencies, **ADRA acts with determination and compassion**.

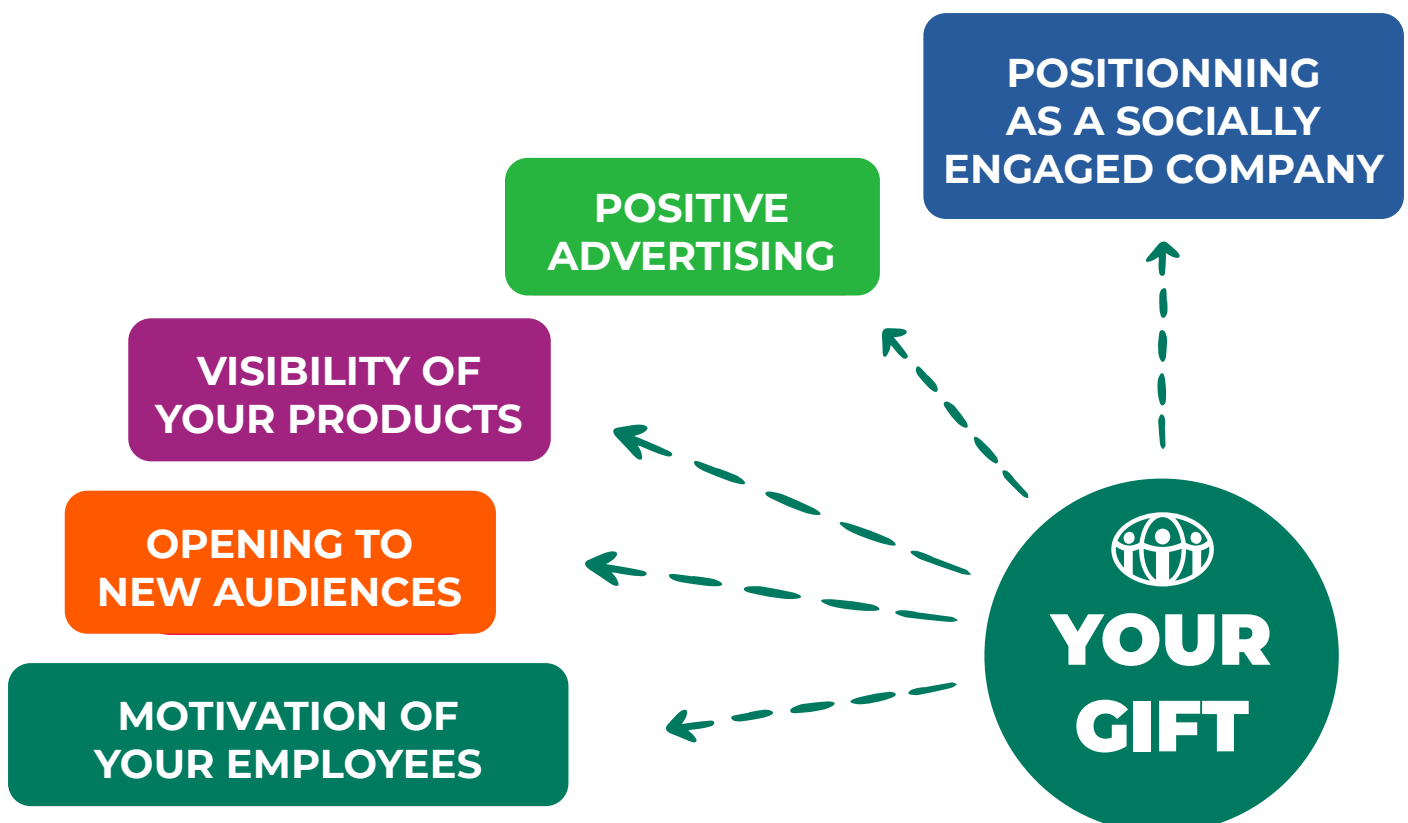

Join other just and responsible businesses

By partnering with ADRA Belgium, your company helps build a fairer, more sustainable world. More than charity, it's a **strategic opportunity**:

- **Inspire your employees** through meaningful volunteering opportunities and impact reports.
- **Enhance your brand** with customers, suppliers and partners.
- **Contribute to tomorrow's society** by promoting justice and sustainability.
- **Embed CSR into your organisation's DNA** through tangible, visible actions.

We'll provide you with an annual CSR impact report: real stories and results you can share in your CSR reporting.

Together, we can create meaningful impact – an investment in shared growth and responsibility.

Other ways your company can contribute

Flexible options for lasting change

Supporting ADRA can go far beyond financial donations.

Your company can:

-  **Provide space:** share unused warehouse or office space to store humanitarian goods.
-  **Offer in-kind donations:** IT equipment, vehicles or material to directly strengthen our fieldwork.
-  **Contribute supplies:** hygiene kits, school items or branded goods.
-  **Provide pro-bono professional expertise:** IT, HR, legal, accounting, logistics or administrative.
-  **Strengthen capacity:** finance essential tools like our Uningo CRM system (Uningo), ensuring transparency and efficiency. Supporting partners are recognised with visibility on every donation form.

Financial contributions remain vital.

Whether one-time, annual, or multi-year, your company's investment guarantees immediate response during emergencies and enables sustainable long-term projects.
